If this is your year for improvements, you're in luck. For installations completed from now until December 31st, Centennial Plumbing, Heating, and Electrical is doubling Sask Energy's Residential Equipment Replacement Rebates on furnaces, HRV, and water heaters*. To top it off, the Saskatchewan Home Renovation Tax Credit of 10.5% is also available for those who qualify**. Book your free estimate today and our friendly Installation Consultants will answer all of your questions.

*As per Sask Energy, Rebate offers may change or cancel at any time, without notice. \$425 rebate is applicable on modulating furnaces only. Visit <https://www.saskenergy.com/ways-save/rebates-programs> for more information.

**Please visit <https://www.saskatchewan.ca/residents/taxes-and-investments/tax-credits/home-renovation-tax-credit> to see if you qualify. Tax credit is an approximate amount based on average installation costs.
